-MONSTER-

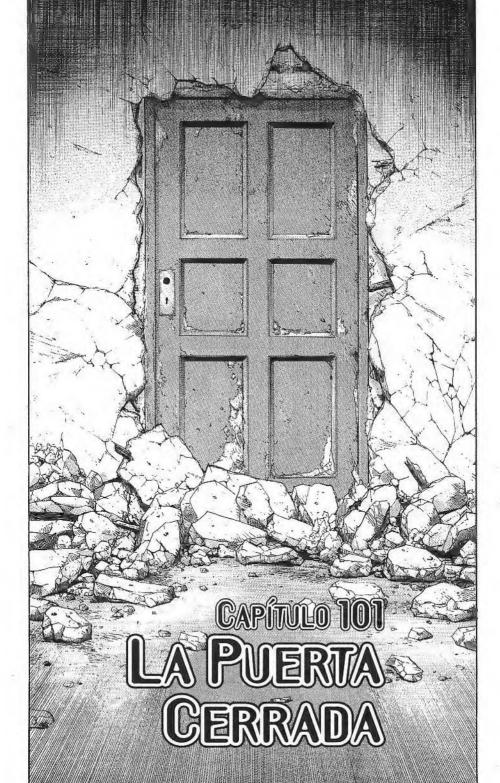

El inspector jefe de la BKA, Lunge está convencido de la implicación de Johan en los asesinatos en serie

Se desplaza hasta Praga para intentar comprender quién es Johan realmente. Allí descubre que el extraño cuento que tanto parece haber afectado a Johan en su infancia lo creó un agente de la policía secreta checoslovaca Lunge consigue localizar la casa en la que el escritor desarrollaba so obra Una vez allí, encuentra una puerta detrás de una pared, y detrás de la misma, jise esconde el horror!
